

Timeminator Pro

One-time license per installation, priced by team size - no per-user SaaS fees, no mandatory subscription. Self-hosted: your server, your data.

Edition	Team size	Price (one-time)
Starter	up to 5 users	EUR 299
Team	up to 20 users	EUR 799
Business	unlimited users	EUR 1,399

Included in every Pro license

- All Pro modules: planning & budgets, project report, offers / quote calculation, invoices
- Accounting connectors (lexoffice, extensible)
- Persistent MySQL / MariaDB database
- Self-hosted on your own server - full data ownership
- 12 months of software updates included

Updates & support

12 months of updates are included with every license. Optional renewal for continued updates & support: EUR 79 / year (after year 1).

Try before you buy: without a license key, Timeminator Pro runs as a free sandbox demo.
